ABOUT THE COSTS AND CHARGES RELATED
TO THE INVESTMENT SERVICE

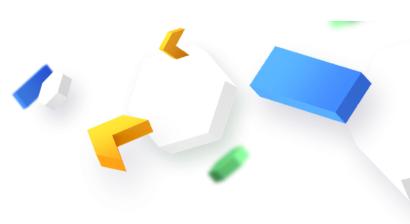

In accordance with the regulations resulting from the Commission Delegated Regulation (EU) 2017/565 of 25.04.2016 supplementing Directive 2014/65?EU of the European Parliament and of the Council as regards organisational requirements and operating conditions for investment firms and defined terms for the purposes of that Directive, X-Trade Brokers Dom Maklerski SA (hereinafter referred to as: "XTB") is obliged to provide adequate and relevant information about the costs and charges related to the provision of investment services and benefits received from third parties before the provision of the investment service or ancillary service. In order to meet this obligation, XTB hereby provides this report showing the estimated costs incurred by the Client related to the financial instrument or investment service.

The costs presented in this document should be treated only as estimated values. The exact values of costs appropriate for a given Financial Instrument are presented in the cost tables.

For each example, the table presents assumptions about the size of the transaction, market price, commission rate, potential spread and other additional fees. XTB does not receive any fees related to transactions made by the Client from third parties.
